## Upcoming Events

April 25-May 1: Georgia Milestones Assessment  
May 25: Last Day of School

## Our Learning

Reading: Reviewing how to write short answer questions

Writing: Understanding what the prompt is asking

Social Studies: Economics and review of previously learned material

## Milestones Note:

I am sending home an envelope with every student today that has a blank piece of paper. (Check their book bag.) Please write your child a note of encouragement for the Milestones test and turn it in to me. I am going to place the notes on their desk Wednesday morning. Positive thinking is a great way to start the test.

## Student of the Week:

Congratulations to the student of the week, Drew Jara!
