Announcements

Monday the students will have a 30 minute extended school day in order to view the solar eclipse. Our class will participate in solar eclipse activities during their STEAM lab at 12:55. We will also view the eclipse wearing protective glasses.

Congratulations to Will Ottley our student of the week. Way to go, Will!

Our Learning

Reading- I am assessing each student's reading level. Once I have completed the individual assessments, we will begin guided reading groups. Our target skill this week is theme

Writing- narrative writing and launching writer's workshop

Grammar- prepositions
